BOOKING NOTES & TIPS

- Book early — Ndola accommodation is limited and the Copperbelt is a busy commercial hub. May is a popular travel month.
- The Masonic Hall is in central Ndola. The Protea Hotel and Savoy Hotel are both within easy reach of the town centre.
- UGLE visitors and senior District guests are recommended at the Protea Hotel by Marriott (highest international standard in Ndola).
- For larger delegations requiring meeting space or a hospitality room, the Savoy Hotel (140 rooms) and Protea Hotel both have conference facilities.
- Airport transfers: Kenneth Kaunda International is in Lusaka (~320 km). Ndola's Simon Mwansa Kapwepwe International Airport (NLA) serves the Copperbelt — check flight availability. Several hotels offer airport shuttle service.
- All prices quoted are per room per night in USD, indicative only, and may vary by season, room type, and availability at time of booking.
